Site Access – New Launch Date

In order to ensure that the technology and all stakeholders are aligned and fully prepared, Sentinel Site Access will not launch as expected on 31 January 2016. Our new deployment date is **30 June 2016** and we are working hard behind the scenes to ensure this experience will be seamless for you. Further, detailed communications will be issued over the coming weeks and we also urge you to keep a close eye on our website: <http://www.railsentinel.co.uk>. Please cascade this information to your colleagues and anyone else that may be impacted by this change.

Kind regards,
Sentinel Programme Team

Please contact the Sentinel hotline if you have any Sentinel queries:
